# TATA Xenon Space Cab

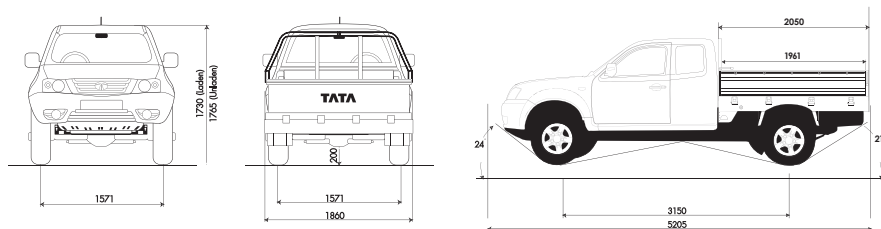

Designed to provide maximum loading capacity combine with impressively spacious passenger room, powered by 2.2L common rail engine that delivers 140hp with a max torque of 320Nm at 1700-2000rpm. TATA Xenon space cab gives extra space anywhere you take it.

**Maximum Power** Common rail engine with variable geometry turbocharger and intercooler delivers 140hp of power... and maximised fuel efficiency.

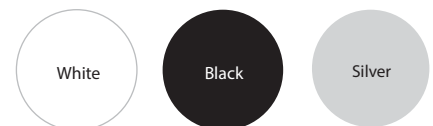

**Maximum Load** Doors on three sides of the loading body allow for more convenient loading.

**Maximum Savings** Tough and durable build for long-term savings.
